

Special Person of the Week

This year we would like to continue to focus on “Our Parish Family” by celebrating some very important members of that family – our children!

Each Sunday we will feature a “Special Person of the Week.”

The attached calendar lists the Sundays that have been designated for each child. The church school teachers tried to select dates that fell on/close to each child’s nameday or birthday whenever possible. On that given Sunday, we will display an “All About Me” poster each child made on the first day of Church School on the front bulletin board in the church hall. We will keep these posters at church so that they can be easily accessible. If your child was absent on the first day of classes, please make sure your child makes their poster at home and return it asap, along with a picture of him/her. (Pictures were also taken on the first day of classes for those who were in attendance.) Your child may bring in other pictures or items that can be displayed with a push-pin on the bulletin board, although this is totally optional. If the date assigned to you does not work for some reason, you may switch dates with someone if you’d like. It is your responsibility to inform your child’s teacher of the switch.

We hope this year’s theme will enhance the feeling of community that makes our parish special. If you have any questions, please let me know. Thanks for your support!
