November 2023 Update

The Parish Council would like to inform you of some important information concerning our ongoing efforts to maintain church services and our annual Community Christmas Card. Please make sure you see the information below.

We are facing an important time in the life of our parish.

We have made a concerted effort this past year toward preserving the future of St. George and securing a full-time priest. We have been blessed to have Father Sergej remain with us as a substitute priest, however, we have been exploring options for when he will no longer be able to serve with us and get to enjoy a true retirement. In order to make the best decisions for the future of our parish, it is extremely important that we know who our parishioners are and what we can count on for support. If you have been a member of St. George in the past, please consider joining our list of members once again. If you feel connected to St. George but haven't officially established membership, please consider doing so now. If you are part of our "extended family" at St. George and can contribute to us in some way, it would be greatly appreciated. Reach out to a member of the Parish Council to express your interest. We are coming upon our 100th Anniversary in 2025. We would like to be able to celebrate this milestone with a strong membership base that will allow us to maintain a full-time priest to care for our community. Stewardship questions may be directed to Luba Csernica, Financial Secretary, at luba.csernica@gmail.com or 203-414-8141.
