

St. George Orthodox Church – “Future Fund”

Keep their Vision and Legacy alive by donating to St. George
“Future Fund”!

“Photo of the leaders who directed the drive that built the first St. George Church on Howard Avenue in Bridgeport. The first Orthodox church services were held in Bridgeport on Palm Sunday, April 12, 1925. At that time and up to the dedication of the church on Howard Avenue, worship was conducted in various community halls and buildings.”

Donated Funds will go directly to the cost of a Full-Time Priest. Any amount small or large will be most welcomed. Think of the possibilities!!!!

- How about all that loose change you have in your pocket or sock drawer?
- One less Starbucks coffee drink would be much better for your waistline.
- Don't forget to look under your mattress - not getting any interest there.
- Please write “Future Fund” in the memo line if you bring-in or mail a check

"Let's preserve St. George as the spiritual home for generations to come!"
