Trumbull, CT 06611

November 17, 2018

Dear St. George Parish and Members of the LaBache Scholarship Committee,  
Thank you once again for awarding me with the LaBache Scholarship. It truly makes a difference in my academic endeavors and abilities as I work on my major in Finance and minor in Spanish. I will continue to retain the ideals of our parish that have been present in my life since I was a child, especially when I spend my spring semester studying abroad in Madrid.

Sincerely,

TJ Coughlin
