

Dear Parishioners and Friends of St George Church,

The Teuta Bazaar and Food Fest will return on Saturday, October 28, 2023 and will feature our favorite ethnic foods and baked goods, a Take-a-Chance Raffle and more. This is a wonderful event that draws people from all over our area. It is also a major fundraiser for our church.

As in the past, we will publish a special program booklet that will include menu, information and the names of the people and businesses that support our Bazaar.

If you would like to have your name or business included, fill out the form below and send it in to church along with your donation. If you would like us to print your business card, include that as well.

Your support is greatly appreciated.

Sincerely,

Diane Cryan, Chairman, Teuta Ladies Society
