

March 21, 2020

Dear Fellow Parishioners and friends of St. George,

We hope that this communication finds you and your families in good health and good spirits. At times like these, families stick together and support each other. As we have often expressed before, we are all part of the St. George parish family and, as such, we would like to make every effort to connect with and support one another during the days ahead.

With that in mind, the Parish Council would like your assistance to be able to reach as many people as possible in order to communicate important information and stay in touch. While we are using e-blasts and posting information on our church website and Facebook page, we understand that there are people within our community who do not have computer access and are not on social media. We are attempting to match up our current email list with our list of parishioners, but it would also be helpful if you can let us know of individuals who definitely do not have access to these online communications. One way to help would be to email us with their name and the contact information they are comfortable sharing (i.e. phone number, address...) Your assistance in reaching out to inform them of important news is also appreciated. If you are aware of anyone who is feeling particularly isolated, let us know so that we can reach out in other ways like a card, phone call, etc. Laura Coughlin can be the point person on the council for this. (Lemc15@aol.com)

We would also like to offer support to those within our community who are in need of assistance with groceries, errands, etc. Bob Lazar will be the point person on the council for this. We have several people willing and able to help out with these tasks. (l_laz@yahoo.com)

Please continue to visit our parish website : www.stgeorgetrumbull.org , where we will continue to post updates and links to online services, as well as our Facebook page: St. George Orthodox Church. The OCA website also has many resources to help you pray at home and connect with live-streamed services: <https://www.oca.org/resources-coronavirus>.

Faithfully yours,
Laura Coughlin, on behalf of the Parish Council
