COVID19 Update

The Parish Council has updated the COVID protocols for our church based on recent guidance from Connecticut's Department of Health.

On Tuesday, August 3rd, Connecticut's Department of Health came out with guidance strongly recommending that anyone over the age of 2 wear a mask indoors regardless of their vaccination status. This is because in CT, the number of confirmed COVID-19 cases and hospitalizations have risen rapidly over the last two weeks due to the spread of the Delta variant.

In a continued goal of prioritizing the health and safety of all attending services at St. George, the Parish Council has agreed to follow this new CT health advisory.

Beginning Sunday, August 8th:

- Masks are strongly recommended to be worn when attending all services.
- Additionally, the Parish Council has decided to suspend coffee hours as part of this guidance.

Although unfortunate, these decisions were made to reduce the risk as much as possible of spreading the Delta variant.

Video on the Dormition of the Theotokos

For Adults: Located on our YouTube channel, Fr. Sergei also prepared a video on the Dormition of the Theotokos (we celebrated this Feast last Sunday). We apologize that we were not able to post it ahead of the Feast due to some technical issues.
