**April Bulletin**      April 11, 2020

### **Update from the Parish Council:**

The Council has been reaching out to parishioners who do not have an email address on file. Since so much of our communication is currently online, we want to make sure that we can reach as many people as possible. Please let us know if there is someone who would like to be added to our email database. Thank you to all of our parishioners who continue to call and check in on one another. This effort to maintain connection is both needed and appreciated.

We have been receiving several requests for instructions about making stewardship contributions. For those who would like to continue to give regularly at this time, we suggest a monthly check mailed to the church. Cathy Hotova is picking up the mail weekly, however, the banking may be done less frequently and she asks for your patience with regard to that.

Please continue to visit the parish website: [www.stgeorgetrumbull.org](http://www.stgeorgetrumbull.org) for information on live streaming services, videos from Father Sergei and Father John Jillions, and directives from our Archdiocese. Father Sergei will be posting several sermonettes during Holy Week and a special Paschal message.

St. George has a Facebook page - St. George Orthodox Church. Perhaps as a way of staying connected and sharing the joy of Pascha with one another, we can post pictures of the ways we are celebrating, whether it's a picture of your red eggs, a special candle at midnight, or even your rendition of singing Christ is Risen or Krishti u ngjall!

We have made a contribution to the Binky Patrol on behalf of St. George to help them make facemasks for hospitals. Please let us know if there is anything we can do to help you as we all work through this challenging time.

We are family.

**Have a blessed Palm Sunday and Pascha**
